

## Membership and Tournament System

# Member's Sign Up Handbook

www.swgsa.co.za

#### Introduction

Welcome to our Website for SWGSA Members. You will be able to enter the National tournament from here and hopefully later also your local Society Fixtures. Once you have logged in initially you will be able to access information about Nationals and we will be able to send you draws and results.

This system has been introduced to help you. It is easy! If you can send a WhatsApp message, or have a chat to your kids overseas, on Skype Whatsapp or FaceTime, this will be child's play. So get out your magnifying glass, read this manual, and if all else fails, call your grandkids to help you!

#### Requirements

We all have a Handicap Card – either in your purse or you can access it on your phone. Open the HNA app and once the home screen appears twist your phone sideways and the Handicap Card will appear. On it, you will find your SA Player ID, a ten digit number starting with 27.

The next thing needed is an email address. This should be easy as emails have been around for a while.

Finally, you will need access to the World Wide Web. This can be by means of your computer at home, your tablet or your smart phone.

Once you have these three things, you are ready to go.

#### Invitation to Sign up as a Member

You will receive an email from your society requesting you to sign up as a member of Senior Golf.

Dear Member	
We are in the process of developing a new system that will be used for the 2017 National Tournament in Cape Town.	
To date, the Membership Module is in place, so we require you to record your personal details on the system.	
Attached you will find a document that will lead you through the process. Please refer to it when you get stuck.	
The first step in the process is to simply click on the sign up link below, and follow the instructions as you go.	
Good luck – your success in using this system will greatly enhance the success of the system for a smooth running National Tournament and beyond.	
Best regards	
Bh Wassenaar

In the body of the email there will be a link <u>http://www.swgsa.co.za/golf/signup</u>, and you will be prompted to click on it. However before you click on it, please ensure that you know what your email address is and you have your SA Player ID.

Once you click on the link in your email, you will be switched to your default web browser, and the initial membership registration form of the system will be presented to you.

You will now get a Member Sign Up Confirmation screen. It is <u>imperative</u> that all information on this screen is <u>correct</u>! If you mistakenly clicked the wrong society, or the SA Player ID that you entered

has resulted in someone else's name being displayed, then hit the <u>Back</u> button on the bottom left of your screen so that you can correct your mistake. If everything is correct, then hit the Confirm button.

On successful entry, the system will notify you that an email has been sent to your email address. If you do not receive an email from <u>no-reply@swgsa.co.za</u>, you have either entered the wrong email address on the sign up screen, or your email has been diverted to your junk mail box.

If you do not receive an email after several minutes, please contact your society secretary and ask them to delete your entry so that you can start again. If the email is in your junk box, you will need to move it to another folder (inbox) so that you can access it.

The contents of the email should read something like this.
